This certificate is valid for the above mentioned products. Certification renewal must be done annually before the Renewal Application Due date. The Renewal Application Due is the date that an operations annual update application is required to be submitted. Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended or revoked and does not expire.

Renewal Application Due – **03/01/2016**

Plainfield, **Indiana**
Issued on **12/04/2015**
